## **Liedtext - Alt**

### **Material Girl**

Some boys kiss me, some boys hug me, I think they're ok  
If they don't give me proper credit, I just walk away

They can beg and they can plead, but they can't see the  
light (that's right)

'Cause the boy with the cold hard cash, Is always Mister  
Right

'Cause we are living in a material world, and I am a  
material girl

You know that we are living in a material world, and I am  
a material girl

Some boys romance, Some boys slow dance, That's all  
right with me

If they can't raise my interest then I have to let 'em be  
Some boys try and some boys lie but I don't let them play  
(no way)

Only boys who save their pennies, Make my rainy day

'Cause we are living in a material world and I am a  
material girl

You know that we are living in a material world and I am a  
material girl

Living in a material world and I am a material girl

You know that we are living in a material world and I am a  
material girl

Living in a material world (material)

Living in a material world

Living in a material world (material)

Living in a material world

Boys may come and boys may go and that's all right you  
see

Experience has made me rich and now they're after me

'Cause we are living in a material world and I am a  
material girl

You know that we are living in a material world and I am a  
material girl

Living in a material world and I am a material girl

You know that we are living in a material world and I am a

**I don't mean rhinestones**

**But diamonds are a girl's best friend**
